The SPCA of Northern Nevada is a non-profit organization dedicated to rescuing at-risk dogs and cats in Washoe County, and placing them in loving new homes. We make a lifetime commitment to every animal that we shelter. Eleven years and 12,000 happy endings later our focus remains on rescue and re-homing along with an increasing commitment to rehabilitating dogs and cats that need a little extra help. To us, every dog and cat in our shelter is a member of our family. The SPCA of Northern Nevada is not affiliated with any other entity and does not receive government subsidies or funding from the ASPCA. We rely totally on the generosity of our community.
