Shamanic Earth Healing with PJ Chatterton

Rev PJ, International renowned Psychic is best known for her ongoing ceremonial work of healing the earth. Her lifelong clairvoyance has led her to organize and sponsor many events such as the Prophet Conferences, and the Reno Psychic Fair. She has trained with many indigenous teachers to bring their knowledge and wisdom to the modern world. It is her belief that only by learning to live in peace with the mother earth can we, sentient beings be able to continue to inhabit this planet.

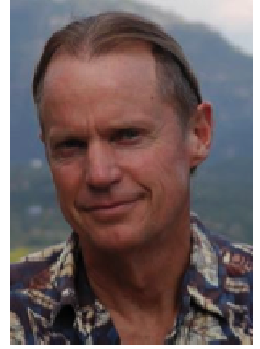

She will be offering the opening ceremony to the Reno Psychic Fair at 7 PM Friday October 23, 2009. The focus of the ceremony will be the Wisdom of the Grandmother. So bring your drums, instruments and noises makers to the Reno –Sparks convention Center and help to bring in mother earth’s healing for us all.

Want to learn more about Ritual and Ceremony? Learn why we need to gather. How to offer praise and gratitude to the planet. How to hold a higher vibration and channel that energy with a circle. Bring your creative talents and Be part of the Calling Group at the upcoming Ceremony.

There will be a gathering on Wednesday at 7pm, at the Reno Psychic Institute, 20 Hillcrest, Reno NV for those of you who would like to have parts in the actual calling ceremony. Please call 775 324 2872 for more information.

We are excited to present Keynote Speaker: **Allan Hardman** “Living in Conscious Relationship”

Sunday 2:00pm -3:30pm Reno-sparks Convention Center Room A14

Our lives are based on relationships of all kinds, and our relationships are based on agreements. Most of those agreements are unspoken and unconscious. To live in conscious relationship invites us to consciously choose new agreements about who and what we are, the meaning of love, and our relationship to the Divine.

Come to this dynamic presentation and learn how to:

- Identify your unconscious agreements
- Own your right to have your needs met
- Claim the courage to communicate your needs
- Celebrate the rewards of conscious relationship

Allan Hardman is an author, relationship expert, and Toltec Master, who trained for ten years with don Miguel Ruiz, in the tradition of *The Four Agreements™*. Allan is the author of *The Everything Toltec Wisdom Book*, and co-author of two books with Deepak Chopra, Dr. Andrew Weil, Caroline Myss, and others. He teaches in Sonoma County, CA, and guides Journeys of the Spirit to the Toltec Pyramids at Teotihuacán, Mexico, and other sacred sites.

Free Channeled Readings with Cenote donated by Sharon
Come early to get an appointment!

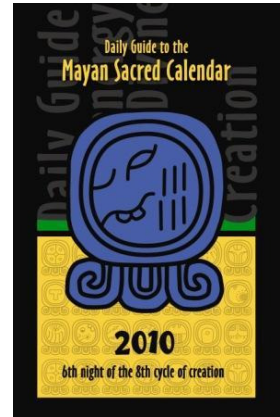

CENOTÉ has known that **SHARON** was a little embarrassed because she bought me originally out of fear in 2006.

SHARON actually thought her husband, who was working 6 hours away from home, would die that night. She still can't explain why she was drawn to get me...but as many of you know, there isn't always logic involved when working with crystal skulls!

I am a witness that change, conscious or unconscious, according to the mindful intelligence of the universe is our only hope for sustainability. Reactionary response to fear, pain and death is no longer our tool for survival as we spin out of control and risk losing ourselves completely in the insanity.

I can truthfully say as I let go and allow Creation to have its way there is no stopping her. Of course we are right on schedule, join me as I prepare for our only sustainable future, alignment with Creations agendas and not our own.

Discovering how really simple, and seemingly insignificant we are, goes beyond all concepts of time and space, and words for that matter. We each have our moments to live and love the best we can.
